

LAND CRUISER PRADO

TOYOTA

YOU BELONG OUTSIDE

A WORLD OF ADVENTURE IS OUT THERE - AND, IN THE PROUD TRADITION OF LAND CRUISER, YOU'RE READY TO SHOW IT WHO'S IN CHARGE. DRIVING A LAND CRUISER HAS ALWAYS MEANT DOING THINGS ON YOUR OWN TERMS. AND THE LAND CRUISER PRADO GIVES YOU THE ALL-TERRAIN DURABILITY AND PERFORMANCE YOU DEMAND, COUPLED WITH OUTSTANDING LUXURY.

In the Land Cruiser Prado, brute power is harnessed to ground-breaking technological innovations like MTS (Multi-terrain Select)* and Crawl Control*. The result is go-anywhere off-road capability, with no compromise on top-end performance, handling and safety on highways and byways.

Of course, when you're blazing a trail, you want to make a good first impression. The sleek styled contours of the Land Cruiser Prado pay tribute to its proud heritage, with all the refinement of a modern classic, while onboard comfort takes getting away from it all to a new level.

Whatever awaits you out there, you can rely on Land Cruiser Prado to deliver outstanding performance and pleasure all the way.

[AVAILABLE AS: 3.0 DIESEL VX AUTO, 4.0 PETROL VX AUTO, 3.0 DIESEL TX AUTO AND 4.0 PETROL TX AUTO.]

HEAD ON OUT

There's nothing stopping you in your Land Cruiser Prado. Powered by our legendary, tireless engines. The 3.0 D-4D, 4-cylinder turbo diesel engine fitted with an intercooler delivers 120 kW and an impressive 400 Nm of torque, while the 4.0 V6 petrol model pumps out 202 kW and 381 Nm respectively. And to match their stamina, a whopping 150-litre fuel tank capacity is standard, to give you all the long distance range you need.

Getting there is only half the fun. Tackling the most extreme challenges in far-off places, the Land Cruiser Prado comes into its own. The hard-as-nails ladder-frame chassis shrugs off twists and turns. And even the most seasoned off-roader will be impressed by the advanced off-road technological innovations that come standard.

Crawl Control* and Multi-terrain Select* regulate the motion of each of your wheels independently – automatically braking and accelerating to enable you to navigate up or down the most punishing and uneven terrain. This is paired with a Multi-terrain Monitor System with 4 cameras* on the exterior sides, front and back. Viewing on the dashboard mounted screen is controlled by a steering wheel mounted switch. Combined with clearance and distance sensors, this gives you almost 360° vision at ground level. All you do is steer!

OUTSTANDING COMFORT THROUGH THICK AND THIN

As much as the Land Cruiser Prado loves to rough it, its interior is designed to cater to your every need for comfort, luxury, spaciousness and convenience. From the generous, combination leather seats (with a driver's seat that "recalls" and automatically adjusts to your preferred posture*) to a dual automatic air conditioner*, from the superb 14-speaker and Bluetooth® compatible sound system (with in-dash DVD player)* to the handy refrigerated cooler box* built into the rear console.

While the roomy cabin boasts enough creature comforts and onboard technology to make every minute a pleasure, no expedition is complete without a family's worth of gear. To fit everything in, the versatile three-row, seven-seat configuration can be adapted at will. Recesses under the third row of seats allow the entire back row to electronically* be folded and stowed under the floor, for maximum stowage space. Sunroofs are available as an option on VX models by order only.

On long distance trips, cruise control and the Hard Disc Drive (HDD) Satellite Navigation System* allow the driver to relax and enjoy the drive. Mile after mile, through thick and thin, the comfort of the Land Cruiser Prado reduces driver and passenger fatigue and enhances the pleasure of getting out there.

*VX models only
